

REMARKS

The subject application sets forth claims 1-50, of which claims 1, 16, 29 and 38 are independent claims.

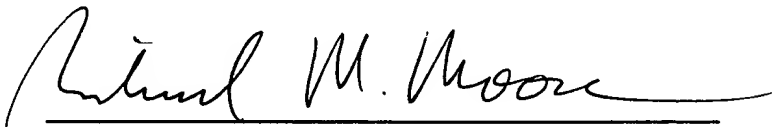

In accordance with the explicit indications by the Examiner (in numbered paragraph 4 of page 3 of the subject Office Action), Applicant has rewritten independent claims 1, 16, 29 and 38 to variously include the subject matter of claims 2, 5, 25, 35 and 41, so as to recite clearly allowable subject matter. Claims 2, 5, 25, 35 and 41 have, thus, been canceled without prejudice.

Based on the presently requested amendments and above remarks, Applicants respectfully submit that claims 1, 3, 4, 6-24, 26-34, 36-40 and 42-50 are in condition for allowance, and reconsideration and acknowledgment of same is respectfully requested.

Respectfully submitted,

DORITY & MANNING,
